Partnered with **Thyrocare**

Geetanjali Diagnostics, partnered with **Thyrocare**, is committed to providing world-class healthcare services in Umerkote and the Nabarangpur district. Our goal is to ensure that residents have access to top-tier diagnostic services around the clock, seven days a week. With a focus on accuracy, reliability, and patient care, and aims to set new standards in medical diagnostics in the region.

Quality with affordability

We provide a wide range of tests at the lowest prices in the region, ensuring affordability without compromising quality. Our standards are rigorously maintained through quarterly inspections. Test results are delivered within **12 hours district-wide** and **within 3 hours locally**. Trisha Pathlab is committed to excellence in patient care and service.

Services at your door steps

Get reliable diagnostics services delivered to your doorstep, **available 24 hours a day, 7 days a week**. Our expert team ensures timely and accurate results, making health care more accessible and convenient for you anytime, day or **night**.

ECG and X-Ray done at Your Doorstep

Experience the convenience of having ECG and X-ray diagnostics performed right at your **home and hospital**, available **24 hours a day, 7 days a week**. Our skilled technicians bring advanced equipment and expert care directly to you, ensuring precise results and a seamless process. Whether it's for routine monitoring or urgent needs, we offer reliable, around-the-clock service to support your health and well-being without the hassle of traveling to the hospital or any other Lab.

Core Highlights of Geetanjali Diagnostics

1. Quality Assurance and Transparency:

- Maintains high standards through rigorous **quarterly inspections**.
- Quality certificates are provided free of cost upon inquiry, ensuring **transparency** in our services.

2. Affordable Testing:

- Offers a vast variety of tests at the **lowest prices in the region**.

3. Fast Results:

- Delivers test results **within 12 hours** for the entire district and within 3 hours for the local area.

4. Comprehensive Services:

- Provides round-the-clock diagnostic **services, 24/7**.

5. Vocal for Local:
